DON R. FLYNN

The Ogden club of the Northern Utah baseball league has started to seek men of the first order for the coming season. One of the first tried veterans to sign with the local club is Don R. Flynn. Flynn is a big league star and has had eight years of professional experience. He is now in Ogden and is rarin' to go, according to Manager Elmus Gober.

Flynn has established a record both as a pitcher and as a sticker. The new addition to the Ogden club stands 6 feet 3 inches and weighs about 195 pounds. He bats and throws right handed. He played with the Dallas club of the Texas club last year.

LEADS LEAGUE

LEADS LEAGUE

In the Texas league Flynn batted over .340 and entered the hard lucks league as a twirler. During the season/he lost twenty-one games by one run margins, most of the games being loat because of the haability of his club to make counters.

In 1916 Flynn was with the New York Yankees. He had perfect control, was heady and made a hit with the Yankee fans. He was traded to Pittsburg the following year where he played as an outfielder. He batted .301 for Pittsburg in 47 games during that season.

that season.

The following year he entered the service.

In 1919 he led the Texas league in batting with an average of 345. He chalked up a number of homers during that season and was rated as one of the best stickers in the southern part of the country.

From now on for the next few weeks we will hear much of the "rookie." This term is generally applied to a ball player breaking into fast company for the first time. Really it means a hayseed, a moss-back, an apple knocker, a feeder of cattle and swime, a sod buster, an unsophicated country lake. The word is taken from the rook or crow, a bird that is guilible and deesn't know how to do anything but swipe corn all day and sing "caw, caw."

COLLEGE PLAN FOR TRACK-FIELD MEETS

Ogden Ball Stars

More than two hundred nicknames have been submitted to the
sports departments of the Standard-Examiner, in the naming contest being conducted for the Ogden
Baseball club of the Northern
Utah baseball league. Included in
this number are several selections
made by feminine fans of the city
and from all indications the three
judges—A. L. Glasmann, A. P.
Bigelow and J. Ray Ward will no
doubt have their hands full when
the final selection is made.

The contest which opened last
Monday will close next Friday
evening. The person or persons
submitting the winning nickname
will be rewarded with two season
tickets to the games played in the
Northern Utah league during the
coming serson in Ogden.

This contest which is being
conducted by the Standard-Examiner has created untold interest in
all parts of the city and with five
more days before the contest closes
it is expected that at least 500
sobriquets will have been submitted. All fans of the city desiring
to present their selection should
do so at once, addressing their
choice to the sports editor.

Frizes for second, third and
fourth place winners will also be

Termed the best adopted by any in Termed the best adopted by any independent baseball league in the west,
a schedule has been drawn up by John
L. Coburn of Logan, chairman of the
schedule committee of the Northern
Utah league. The schedule contains
forty games for each club, half of
which will be played on each club's
home lot and the other half on forsign soil.

which will be played on each club's home lot and the other half on forcing soil.

The Cache Valley Baseball league played a thirty-game schedule each season the past two years. Two games were played each week, making a season of three months' duration, but this year the Northern Utah loop has a more ideal card with ten additional games, running over a period of about three and a half months.

The Yellowstone-Snake River league of Idaho played a twenty-game schedule with only one game a week and one hollday game. The Wasatch league played only twenty games, one a week, as did the Southern Idaho and the Wyoming circuits.

The Northern Utah season will open on May 4 with the following contests: Logan at Ogden, Brigham at Smithfield, Lewiston at Tremonton. The first half of the season will be up after the games of July 2 have been played. Then each club in the loop will have played each other club the same number of times and no one club will have any advantage.

The second division of the schedule will commence with the first games

The second division of the schedule will commence with the first games of July, 4 and the season will be ended on August 27. The winner of the first half will then play the winner of the second half for the championship of the league, and after that it is possible that a series will be arranged with some other league in Utah or Idaho, either the Central Utah association or the Yellowstone-Snake River league.

Baseball is due for its best season in Baseball is due for its best season in

Baseball is due for its best season in Northern Utah according to every dopester who has rentured an opinion on the coming season. The league is an ideal organization both as to situation of the clubs and distribution over territory. Each club now senses the responsibility each has of getting together a first-class aggregation.

The Cache Valley league has possibly been the fastest circuit in this section of the country for the past two years. The organization, embracing only a small territory included within a radius of 26 miles, put up such a high-class grade of ball that a couple of the teams could not continue under the pace set and therefore a golden opportunity for a larger circuit to include Ogden, presented itself.

MIDDIES PERMITTED TO PLAY FROM HOME

record which they claim is the best ever made at the school. Games were played during the season with the state school for the deaf, Harrisville, the various ward teams of the city and other other quintets.

With the hoop season completed, arrangements have been started for spring athletic work. Track and baseball teams will now hold the limelight, according to Coach Dalby.
